

ILIMA INTERMEDIATE UPLINK

Uniting Peer Learning, Integrating New Knowledge

2017–2018 After-school Program

Our school has been the fortunate recipient of a federal grant for a FREE after-school program for our students! Ilima's UPLINK - After-School Center for Enrichment Program works to teach your students new skills and activities while assisting them academically as well. Support for this grant comes through UPLINK (United Peer Learning, Integrating New Knowledge). For further support, we ask that ALL students are registered as UPLINK students. Being registered as an UPLINK student does not mean that they are enrolled in our after-school program; it means that they have the benefit of services and equipment use funded through the UPLINK grant.

What: Ilima Intermediate School UPLINK Program

When: October 1, 2017. Open enrollment year round.

Where: Ilima Intermediate School campus

Cost: FREE – funded by a grant from the Lt. Governor's Office and the Temporary Aid for Needy Families (TANF) federal program.

Sorry, no transportation is available afterschool

We are very excited about our program aimed to provide our students with healthy and safe activities after school. All classes include Tutoring Services and Teen Character-Building, which are courses designed to educate students on skills that would enhance their self-esteem and promote good decision-making. We hope that registered students will make good and productive use of these supplemental components of the program.

Activity schedules will vary by clubs/teams. Enrollment will be based on a first come, first serve basis until available spaces for specific classes are filled. Optional program choices and schedules will be given to students who register by their optional program advisor. **Please contact our UPLINK Site Coordinator Dione Hulen at 687-9300 or dione_hulen@notes.k12.hi.us for additional information.**

Yes, please register my child in the Ilima Intermediate School (ALL forms must be completed).

Aside from enrollment being first-come, first-served, students must comply with all rules and regulations of their respective club/team in order to participate.

Yes, I understand that registering my child as an UPLINK Program student does not mean that they are enrolled but agree to support the program.

Student Name: _____ Grade: _____ Homeroom Teacher: _____

Parent/Guardian Signature: _____ Contact Number: _____

Please choose an optional program. (Students can attend more than one optional program depending on the programs scheduled times). Call Dione Hulen at 808-687-9300 for more information.
