PRINCIPAL'S MESSAGE:

Happy 2018 Ilima ohana!

It is with great pleasure that as we begin the New Year, rest assured that Ilima continues to provide your child with quality learning experiences focused on academic achievement and social-emotional supports. Great accomplishments continue to take place at Ilima. At the end of the 2nd quarter, we received the distinguished recognition of being rated as a “Highly Certified” AVID school site! Our AVID site team and faculty continue to implement school-wide AVID strategies that support proven student achievement and lifelong advantage. Join me in thanking our dedicated teachers who also volunteered their time to participate in the latest AVID training on January 3 and 4 at the Hawaii Convention Center. When time permits our families are also invited to visit the front office and see our “Highly Certified” recognition!

At Ilima, student achievement is made possible by the many helping hands of our hard working students and staff in partnership with all families. We will continue to provide optimal learning environments that support each student's success. This requires the physical and social-emotional safety of each student.

As we start the 3rd quarter please continue to support your child's daily attendance to school. We have planned for extremely engaging learning activities in your child's classroom, and we are confident that your child will continue to experience success. This starts with consistent attendance to school in all classes. We look forward to what is in store this quarter.

Respectfully,
Christopher D. Bonilla
Principal

STUDENT SUPPORT

We have in place an additional support for students who care to report any Ch. 19 concerns anonymously!

This new feature is included in our new school website. It can be found in the Student Resources tab (see icon in picture- "Online Bullying Box"). It is a protected/confidential reporting system that only administration can view in order to appropriately respond to student concerns.

We welcome our students' families to follow us on Facebook ([BIT.LY/ILIMAFB](https://bit.ly/ilimafb)) and Twitter ([@ilima_inter](https://twitter.com/ilima_inter))

Keep up with the latest school-wide events, recognitions, innovation and bright spots! Don't miss out because the best is yet to come! #IlimaWay
