Final Edition

May 30 is scheduled as the final day of the school year for teachers. Everyone is invited to breakfast in our teachers' lounge. Our school year zoomed right on through, and there are so many accomplishments we have experienced as well as areas of growth we continue to refine. Please take the time to stop by the teachers' lounge on **Tuesday, May 30th** starting at 7:30 am for a special breakfast to express gratitude and to kick-start the summer break! Congratulations Ilima on another year of expanding our learning, relationships and doing the best we can for our students.
