Upcoming Events:

- 5/30 - 8th Gd. Promotion Ceremony
- 05/31 - Last Day for Ss
- 6/1 - Last Day for Ts

Visible Learning

“Underlying the HIDEOE’s Nā Hopena A’o, or Hā, outcomes is the belief that students need both social and emotional (SEL) skills and academic mindsets to succeed in college, careers, and communities locally and globally. Thus, Hā learning outcomes emphasize the competencies that include application and creation of knowledge along with the development of important skills and dispositions.”

As we move forward in our VL journey, we will begin to make connections with what we are doing at the school level and the state.

“We Inform all About the Language of Learning.”

Wednesday Meetings

- ▶ 5/30 - Team

Construction Updates

- ▶ None

Security Updates

- ▶ None

Custodial Updates

- ▶ None

for your effort and commitment to our special school. This school year's theme of collective teacher efficacy was started by everyone who contributed to our student-centered focus. Mahalo to our veteran and beginning teachers! To our mentors who committed themselves to going above and beyond the call of duty. To all of our coaches, thank you for taking a positive risk to stretch one's mindset. To our front office, EAs, custodians, PPTs, EL PTTs, AVID tutors, security and volunteers we thank you for making Ilima a caring place for students and staff to be a part of. We would also like to acknowledge our teacher leaders who served as department heads, team leaders, and FOL committee leads. Your efforts have not gone unnoticed in the way you have brought your colleagues together to form a common bond supporting what's best for students. We appreciate everything you have poured your efforts into navigating through challenges and successes we have experienced as a school.

We look forward to another school year as we continue the heavy lifting to improve our students' achievement and social-emotional learning. As such, the focus next school year will continue to refine our implementation of Visible Learning evidence based instructional strategies, RtI and Data Teams. School Year 2018-2019 will be another year of challenge and we encourage everyone to keep in mind that in order to build the school culture our students and staff deserve, everyone is reminded to take stock of the bright spots and growth. Our admin team will continue lead the effort to support passionate and inspired teachers because our students deserve the very best.

We also take this time to again thank your ohana and friends for their support of your roles at Ilima. We understand how the social emotional aspect reaches into our personal lives, and we thank your family and friends for their understanding and care. Balance is accomplished when we can be our very best in our responsibilities both personally and professionally. Although at times these can become especially challenging, our admin team recognizes how truly special you are because of the support that surrounds us all. We will definitely

Safety Corner

- ▶ Remind ALL students that they will no longer be allowed to return to class without a pass
- ▶ It is an expectation that all staff and faculty wear their school ID Badge at all times when on campus and/or attending school-sponsored events (e.g. field trips)

continue to model for our students what it means to live the Ilima Way.

Have a wonderful summer everyone! We especially wish Mrs. Wert, Mrs. Fujimoto, Ms. Avelar, Mrs. Burr, Mrs. Joseph and Mrs. Bordaje the very best on your new journey next school year. Your care will forever be ingrained in our school's history. Take care and thank you from the bottom of our hearts. If you missed our "Aloha" tribute to these wonderful (and impactful) educators, here's your chance: [ALOHA MOVIE](#)

-Chris, Oscar and Mariko

"Kanu nei au, aia iā 'oe ka ulu."
- I plant and the growth is yours.

BREAKING DOWN THE #BRIGHTSPOTS:

Mahalo Piha to the Ilima Staff and 'Ohana; especially to our Ilima Club Advisors and Coaches!! The guidance and mentorship you provided our students is invaluable. Educating the whole child is a job that requires a school community. Thank you for being a part of our Ilima 'Ohana! #IlimaWay
